

Oceana Resorts consists of seven oceanfront properties, one resort on the Intracoastal Waterway, a boutique motel, and a weekly condominium rental management company. With over 25 years of experience in family, golf, and group vacations, Oceana Resorts has earned a reputation for providing quality vacations and excellent service to our customers. Our collection of resorts is among the finest on the Grand Strand, offering full-service accommodations and on-site amenities for fun and relaxation.

The Oceana Resorts property collection features everything from luxurious lodging at the Anderson Ocean Club and Spa, with a pampering visit to the full-service Awakening Spa, to an affordable oceanfront room at one of our other fine hotels located in the best spots at the beach.

Drop anchor at the Harbourgate Marina Club on a deep-sea sport cruise, hold your meeting or destination wedding overlooking the ocean at Bay Watch Resort & Conference Center's 6,500 square feet of conference space, or play a round of golf on over 100 golf courses along Myrtle Beach's beautiful stretch of coastline.

If you prefer to travel with your four-legged family members, bring Fido to stay at one of our Pet Friendly resorts - Ocean Park Resort and Patricia Grand - where they will be treated like one of the family.

Our wide variety of resorts ensures that your family can choose the location, amenities, and packages to make your stay special at unbeatable prices. And all Oceana properties are located with easy access to a variety of shopping, restaurants, and attractions.

Families staying with Oceana Resorts Memorial Day through Labor Day can enjoy FREE tickets to Wild Water & Wheels water park, designated a Top 10 Water Park by TripAdvisor in 2011.

Oceana Resorts has also rolled out a Guest Rewards program, which features exclusive discounts to more than 100 attractions, restaurants, shops and entertainment venues along the Grand Strand. Guests just show their personalized guest rewards cards to redeem these savings during their stay at ANY Oceana Resort throughout the Grand Strand.
